

Four weeks of October 1984 ⁽¹⁰²⁾

St. Luke's
Episcopal
Renton, WA

Introduction to the Church Organ -- Section I -- Ages 1-6

Where is God? In your heart!

What do you want to be? A Flute! Hollow. So God in your heart
can play sweet music through you.

Like this one -- a recorder

The organ is a big flute. A lot of recorders lined up over a wind chest
makes an organ.

What is an organ for? Its purpose is to help us be flutes, singing
sweetly our own yearning for God.

How does the organ work. Let me show you what the organ can do.

five sounds: diapason
reed
flute
string
mixture

combinations -- of stops, of couplers

Would you like to play it?

A Story -- Brahms and children in Vienna -- Old is Gold

Questions

Chorale Prelude, Johannes Brahms

2-manual
Saville Electronic
with
real chime

The first organ
I've had to play
on that I've
enjoyed
thoroughly
very nice
flute string
celeste

Introduction to the Church Organ -- Section III Ages 12-15

Where is God? In your heart!

old man - boys - milk

What do you want to be? A Flute! Hollow. So God in your heart
can play sweet music through you -- your life.

Hollow of ego: I, me, mine — crucify ego

Like this one -- recorder.

The organ is a big flute. A lot of recorders lined up over a wind chest
makes an organ

What is an organ for? Its purpose is to help us be flutes, singing
sweetly our own yearning for God.

How does the organ work? Let me show you what the organ can do.

- five sounds: diapason
- reed
- flute
- string
- mixture

combinations -- of stops, of couplers
wind-pipe-key-palette

Technical data -- pipe size and numbers, number of manuals, largest and
smallest etc.

A Story -- Ellen Rust and the Old Man in Vienna

Questions

Play -- something prepared

Chorale Prelude, Johannes Brahms

Introduction to the Church Organ -- Section IV -- Ages 16 - Adult

Where is God? In your heart!

Oldman-boys-milk

What do you want to be? A Flute! Hollow. So God in your heart can play sweet music through you -- your life.

Hollow of ^{ego} I, me, mine - crucify ego

Like this one -- recorder.

The organ is a big flute. A lot of recorders lined up over a wind chest makes an organ.

What is an organ for? Its purpose is to help us be flutes, singing sweetly our own yearning for God.

How does the organ work? Let me show you what the organ can do.

- five sounds: diapason
- reed
- flute
- string
- mixture

combinations -- of stops, couplers

wind-pipe-key-pallette

Organ is a community project -- like Gothic Cathedrals, symphony orchestra -- expensive

Technical data -- 18th Cen. Organ -- Silberman

19th Cen. Organ -- Cavaille-Coll

Spanish Organ

American Organ (G. D. Harrison)

Electronic

Story -- Paul VI at St. Patrick's (NYC) sang Nun Danket

Hymnal and Bible are only truly Catholic elements of the Church

Play -- something prepared
