They don't want progress (progressives), liberty (liberals) or femininity (lefties - the left side is the feminine side of the body, the side queers lack), they want confusion as prelude to looting wealth and purity. They want chaos, therefore, deem them Chaotics. Their delusion is imagining they can control chaos, making it work for them. A large lot of grossly monied people today are Chaotics.

Dharma supports those who support Dharma.

Duty is God. Work is Worship.

Beauty is Bliss.
