

Frankly, My Dear, They Are Simply Criminals

The Roman Empire did not “decline and fall.” The criminal gangs who ran, raped and looted Rome were defeated and so fell. “Communist” Russia (The Soviet Union) did not fall. The criminal gangs who ran Russia were defeated and so fell. Germany was not defeated in two world-wide wars. The criminal gangs who ran Germany in two world-wide wars were defeated and so fell. Japan was not defeated in the “second” world-wide war. The criminal gangs who ran Japan in the “second” world-wide war were defeated and so fell. Iraq did not fall in 2007. The criminal gangs who ran Iraq were defeated and so fell in 2007.

“Western Civilization”¹ is richly Roman in ways past counting. Rome thrives. Even the imperial aspect of Rome - as also aspects of Soviet communism - survives as the polytheistic protagonist self-styled “The European Union.” Russia, Ukraine, etc. thrive.² Germany and Japan thrive. Iraq as well.

The same story is playing out in the United States. The United States are not declining. They are not falling. They are not going under, nor even being defeated. Americans of the United States are being suppressed and oppressed by agents of their own empowering. A criminal gang - the self-

1 The term is a pejorative from Jewish scholars to deprecate Christianity. Now Mohammedan scholars want to substitute “Abrahamic Civilization” to deprecate Christianity and Judaism. The real descriptor is Christian Civilization, specifically: The Latin Church, to include the Roman Catholic and Reformation churches along with associated judicatories, and The Greek Church, to include the Greek and Russian Orthodox churches along with associated judicatories.

styled “Democratic Party” and its “operatives with bylines”³ - is torturing, raping and looting the United States, our mother country.

They enjoy it. It’s what they do. It’s who they are. They are simply criminals satisfying their impulse to harm. They are falling. We observe and suffer from destruction they cause fighting their doom.

No more situational analysis than that is required. No scratching of heads trying to figure out who they are or what they are doing. They are criminals doing what criminals only do do: conjure fear, filth, breakdown, and misery.

Let us stop with calling Democratic Party members and operatives socialists, liberals, communists, marxists, fascists, progressives, leftists, bolsheviks, nazis, chaotics, oligarchs, etc. Let us call them and, more to the point, treat them as they are in the simplest terms: criminals in a criminal gang.

Time has been wasted circling so-called Democrats and their operatives with bylines to observe them as “incompetent,” “corrupt,” “sick,” “a failure,” “mean,” “high-handed,” “outrageous,” “dangerous,” “shameless,” and the like.

The so-called Democrats and their operatives are none of those things. They are simply criminals.

“Incompetent” implies they aim to serve the interests of the United States. They do not. “Corrupt” implies they know right from wrong and truth from falsehood. They do not. “Sick” means they acknowledge wellness and seek it. They do not. “A failure” implies they want to succeed as expected of a political party: fostering the peace and prosperity of a nation and guaranteeing its security against all threats

internal and external. They do not. “Mean” implies they can want to be fair, nice, kindly, compassionate, loving, self-sacrificing. They cannot. “High-handed” assumes they distinguish that posture from solicitousness and could prefer the latter. They do not and cannot. “Outrageous” implies they hope for a warm and general approval by insiders and outsiders alike. They do not. “Dangerous” assumes they aim for safety and security. They do not. “Shameless” implies they have a conscience to accuse them. They do not.

No, who call themselves “Democrats”/”Liberals”/”Progressives” are human-hating, human-envying, human-eliminating criminals. They cannot find any good in humanity. Nor do they want to. They have not even a definite goal. They are simply criminals. Their impulses resolve to a general genocide.

Regardless of their party history, “Democrats” and their operatives stand today as a criminal gang resolved upon harming the United States and the world beyond through cleverness, bluster, propaganda, threats, violence, theft, lies, deceit and terrorism.

Now, what are proper responses to this criminal gang, this so-called Democratic Party and their operatives with bylines, o’er hovering the United States of America, to splatter her with blood and excreta?

Impeachment. Civil disobedience. Publishing lists of particulars regarding their personal lives and activities, local, regional, state and national. Civil RICO lawsuits against public agencies and unions, tax exempt organizations, primary, secondary, post-secondary and graduate faculties and administrators.

Sue/expose, including in class actions, parents and/or their estates whose minor children go on shooting sprees. Ban/stigmatize such parents by legislating criminal penalties/liabilities against them. At the state

level, force sterilize males and females who have two children out of wedlock or who do not support two children their gamete conceived.

Purchase/convert and/or ignore their propaganda outlets, to include “pundits,” colleges, universities, “news” and “entertainment” “products.” Civilian arrests. More civil RICO lawsuits. Hire PIs to research their doings and publish the findings in media formerly owned by them as well as in other media as available.

Build public and private family shooting parks to develop proficiency in all manner of arms and for family picnics, cultural events, etc. Expand the number of shall-issue concealed and open carry states. Install firearm knowledge and use as core curriculum in secondary and post-secondary education.

Pool resources to initiate class-action defamation lawsuits against “talking heads” and “pundits” (i.e., Democratic Party operatives with bylines) who declare firearm owners *per se* unfit, suspect or unworthy citizens, or impugn their integrity, civility, etc., or agitate their incarceration or death.

Require all competent adults between the ages of 18 and 65, minimum, to own a firearm and mated ammunition and to maintain competence therewith. Vote for no politician or bureaucrat and condemn and disestablish every politician and bureaucrat who is not a proficient firearm owner/operator and not unequivocal and proven about upholding the responsibility of every competent adult citizen to be so.

Pamphlet, video, blog, publish, get the word out, name names, addresses, histories, distro as able. Call them criminals to their faces. Show them the word in the flesh. Tell them it. To their face. Do not pounce about or mince words, pull no punches, be daring, direct and unequivocal. To FUD and misdirection, at which they excel and on which

they partly rely - the other part being violence - say, “You are a criminal.” That, my dear, is the truth. Probably they will try to slug you, so be prepared. Pivot, roll with the punch, they must not turn you.

Ultimately, criminal gangs are defeated by armed force and internal conflict.
