

Going The Route

The Rev. David R. Graham
August 10, 2011

Barak Hussein Obama was elected POTUS because Karl Rove and POTUS George W. Bush decided not to expose the lie that Operation Iraqi Freedom was illegitimate.

Saddam Hussein/Iraq was the state-sponsor of the 1993 and 2001 attacks on the World Trade Center in New York City by his proxies Khalid Sheikh Mohammed, Khalid's family members and their al Qaeda affiliates.

The Tea Party movement will go the route by expanding its defense and protection of the Constitution of the United States to include exposing and defeating state-sponsored terrorism as well as incontinent spending, or, it will be another disappointment on the road to serfdom.

Anyone standing for POTUS in 2013, facing state-sponsored terrorism and resolving the nation to defeat it -- it is multi-directional, coordinated and lethal -- will be elected to the office.

Correct that mistake by Karl Rove and POTUS George W. Bush, announce and demonstrate the legitimacy of Operation Iraqi Freedom, and the evil conjured since and because of that mistake disappears.
