

Draft Taxonomy of State-Sponsored Terrorism/War-Making

Who?

1- Eurasia

China, North Korea, Russia,

2- Indian Subcontinent

Pakistan, Burma,

3- Middle East

Iran, Saudi Arabia, Pakistan, Afghanistan, Syria,
Lebanon, Gaza,

4- Africa

Do not delve into Africa. They are a client, land-locked,
idiotic, only a resource for outside special interests,
including USA.

5- South America

Venezuela, Bolivia, Cuba,

6- Europe

UK, France, Germany,

7- North America

USA, Mexico,

8- Space

North Korea, China, Iran, Pakistan,

Why?

1- Eurasia

Traditional confrontational absolutism, racism, self-loathing and self-promotion.

2- Indian Subcontinent

To enjoy the pain of another from the suffering one inflicts on them, love of chaos, misogyny, restlessness.

3- Middle East

Inherent aggression of hegemonistic religio-cultural monism, drug enterprise, money glut, depleted top soil, promiscuity, lying and not keeping the word once given, racial and corporeal idolatry, laziness, financial hegemony, heat and aridity, self-loathing.

4- Africa

Do not delve into Africa. They are a client, land-locked, idiotic, only a resource for outside special interests, including USA.

5- South America

Anti-colonial reaction, machismo preening and fantasy, ideology-driven ignorance, Leninism/Liberation Theology, looting habit.

6- Europe

Financial hegemony, family-based aristocratic tyranny.

7- North America

Family-based financial hegemony, Leninism/Liberation Theology/Race-Based Governance and other antagonistic foreign-born vectors (USA), territorial expansion (Mexico).

8- Space

Maximum command and control with minimum spacio-temporal impediment.

What?

1- Eurasia

Tech-based/electronic penetrations of national protective shields, assassination, organization and

deployment of flash-mobs (“demonstrations”), conventional military attack, development of offensive weapons and delivery systems, public taunts, periphery/ border disquieting and intrusions, domestic brutality, straddle global production and supply lines, encourage drug use in Europe and Americas, purchase/extort political invulnerability (“PC”) in target nations.

2- Indian Subcontinent

Proxy and direct attack on India, rolling border destabilizations, income from supporting both American and anti-American operations, logistics and financial support of Haqqani network, AQ, Taliban, etc..

3- Middle East

Fund training of proxies and owned SOF formations, execution and logistics of terror/war acts by proxies (who also self-support operating businesses, including drugs), own/maintain SOF formations (who may also self-support operating businesses) to execute terror/war acts, purchase/extort/litigate presence/dominance in schools of target nations, purchase/extort political invulnerability (“PC”) and race/religion-based legal immunity (“social justice”) in target nations, weaponize oil and finance, omni-directional lawfare, stage pretexts for court settlements with public and private entities, incite riots/murder over “insults,” threaten/implement universal monism, abuse/subjugate women and children, encourage systematic corruption.

4- Africa

Do not delve into Africa. They are a client, land-locked, idiotic, only a resource for outside special interests, including USA.

5- South America

Weaponize oil, export Leninism/Liberation Theology and general disquiet, shout a lot, taunt a lot, run drugs and arms a lot, host assets of nations hostile to USA/Canada.

6- Europe

Supply/trade with terror/war-making states, implement financial imperialism/colonialism,

7- North America

Loot the world's wealth, abuse/subjugate children and grandchildren, deal drugs domestically, lie, cheat and steal, intra-governmental subversion/mission destruction, invade neighbors with civilian populations, guns and drugs, weaponize ("commoditize") time, food, energy and finance,

8- Space

Prepare/deploy knock-out, space-based weapons systems.

Where?

1- Eurasia

Sea/air/space lanes around Japan, Taiwan, Philippines, Vietnam, Indonesia, USA, Canada, Mexico, India.

2- Indian Subcontinent

India,

3- Middle East

East Africa, Levant, Afghanistan, Iraq, *Arabia Deserta*, sea/air/space lanes around those areas.

4- Africa

Do not delve into Africa. They are a client, land-locked, idiotic, only a resource for outside special interests, including USA.

5- South America

6- Europe

UK, Germany, France, Spain, Italy, Netherlands, Scandinavia,

7- North America

USA, Mexico, Canada.

8- Space

Everywhere and some specifics.

When?

1- Eurasia

Continuous.

2- Indian Subcontinent

Continuous.

3- Middle East

Continuous.

4- Africa

Do not delve into Africa. They are a client, land-locked, idiotic, only a resource for outside special interests, including USA.

5- South America

Continuous.

6- Europe

Continuous.

7- North America

Continuous.

8- Space

Continuous.

How?

1- Eurasia

Via proxies and state-owned entities. Specifics?

2- Indian Subcontinent

Via proxies and state-owned entities. Specifics?

3- Middle East

Via proxies and state-owned entities. Specifics?

4- Africa

Do not delve into Africa. They are a client, land-locked, idiotic, only a resource for outside special interests, including USA.

5- South America

Via proxies and state-owned entities. Specifics?

6- Europe

Via proxies and state-owned entities. Specifics?

7- North America

Via proxies and state-owned entities. Specifics?

8- Space

Via proxies and state-owned entities. Specifics?
